

OUR
ECO-COMMITMENT

LA VAGUE DE SAINT PAUL

HOTEL RESTAURANT

La Vague de Saint Paul
takes care of the guests,
the staff and the environment.
Our hotel-restaurant puts
eco-responsible initiatives
at the heart of its operation to promote
sustainable and ethical tourism.

ANTI WASTE

- ✓ Refillable bottles of shower gel and body lotion
- ✓ The room air-conditioning stops as soon as windows are opened
- ✓ Lights in the rooms only work when the key is inserted
- ✓ Room cleaning on request
- ✓ Bath towel change on request
- ✓ LED lamps to reduce energy consumption

ECOLOGY

- ✓ Waste sorting by the kitchen staff
- ✓ Labeled cleaning products : recyclable, eco-responsible, biodegradable, compostable
- ✓ Refurbishment of the hotel with materials and technical facilities selected in an "eco-responsible" approach

SUSTAINABLE TOURISM

- ✓ Fresh and seasonal products selected by the Chef directly with local suppliers favouring the short circuit
- ✓ Bike room, equipped and secure, for cycling stays, favouring "ecological" transportation
