# Wedding at La Vague

Un hôtel pop art

# *Saint Paul de Vence*

Perched on its rocky outcrop and surrounded by ramparts built on the orders of François I, Saint-Paul-de-Vence is undoubtedly one of the most beautiful villages in Provence.

The beauty of the location, its gentle way of life and exceptional light have inspired many famous artists, writers, poets and painters, some of whom have made it their permanent home.

Nestled just a stone's throw from the medieval village of Saint-Paul-de-Vence and the famous Maeght Foundation, La Vague and its lush green setting promise you an unforgettable experience!

# *La Vague de Saint Paul*

Organising your wedding at La Vague de Saint Paul involves privatising our 50 rooms for one night in April, May and October, and two nights from June to September inclusive.

All the hotel's facilities will be at your disposal: spa, swimming pool, tennis court, boules court, restaurant, bar, lounges, private car park.

The elegant and original rooms combine modern comfort with a refined atmosphere. All our rooms are equipped with: telephone, flat-screen television, safe, air conditioning, desk area, wardrobe/closet, hairdryer, minibar, free Wi-Fi access, bathroom with walk-in shower.

# *Our key services*

## **CEREMONY**

We are delighted to offer you our pétanque court and its 180m<sup>2</sup> lounge area for your ceremony. Please note that we do not have a backup plan in case of rain; please contact your wedding planner to hire tents and protective coverings. The hire of the garden does not include the hire of furniture, floral decorations or other decorative items.

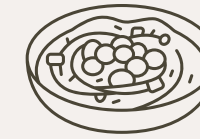

## **RECEPTION**

We can set up a bar and a few high tables in our garden for your reception, in the shade of the olive trees or by our swimming pool. Alternatively, we can use the hotel bar. What's more, our gardens are the perfect setting for a family or romantic photo shoot.

## **DANCE EVENING**

To continue the festivities, we offer you the use of our soundproofed reception room for your evening dance. Any room layout is not included and must be quoted for by an external service provider.

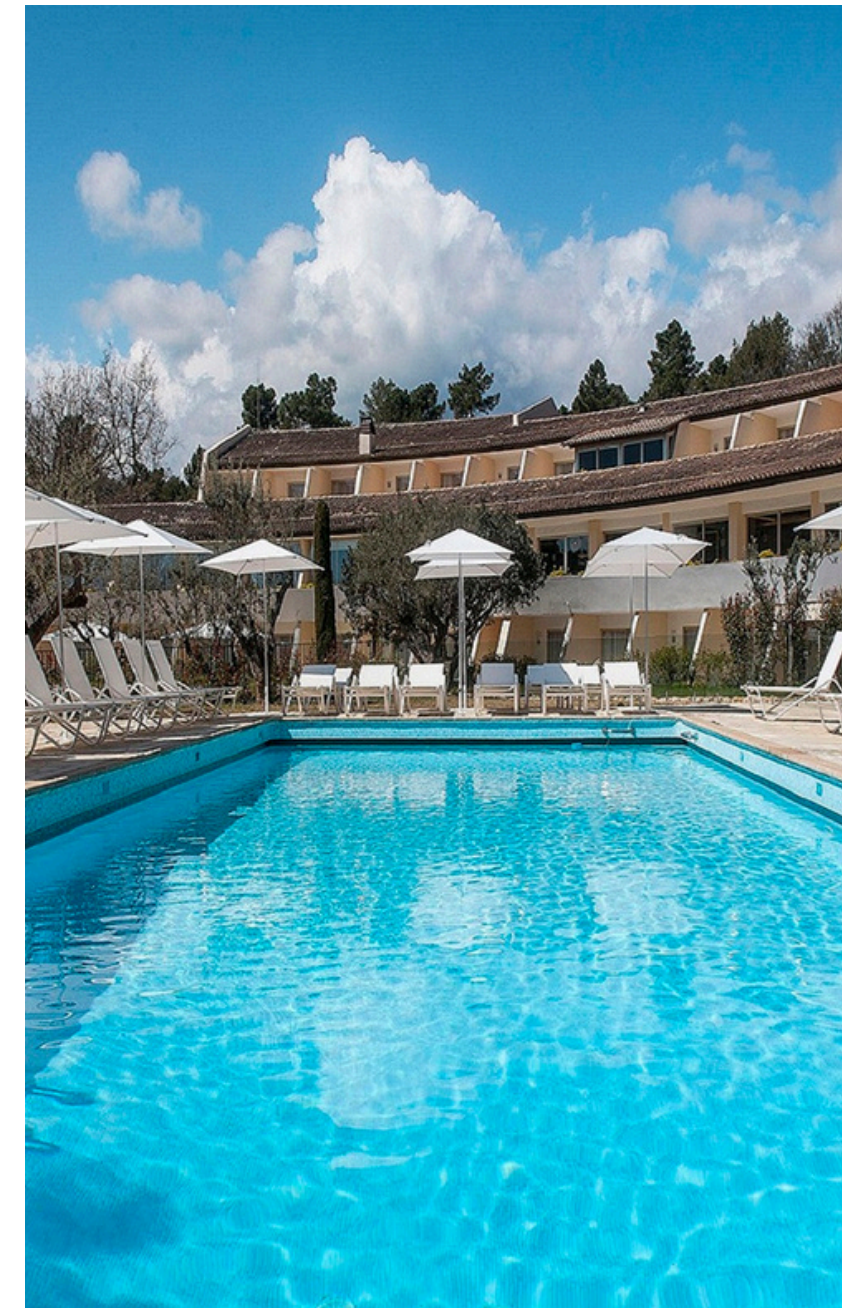

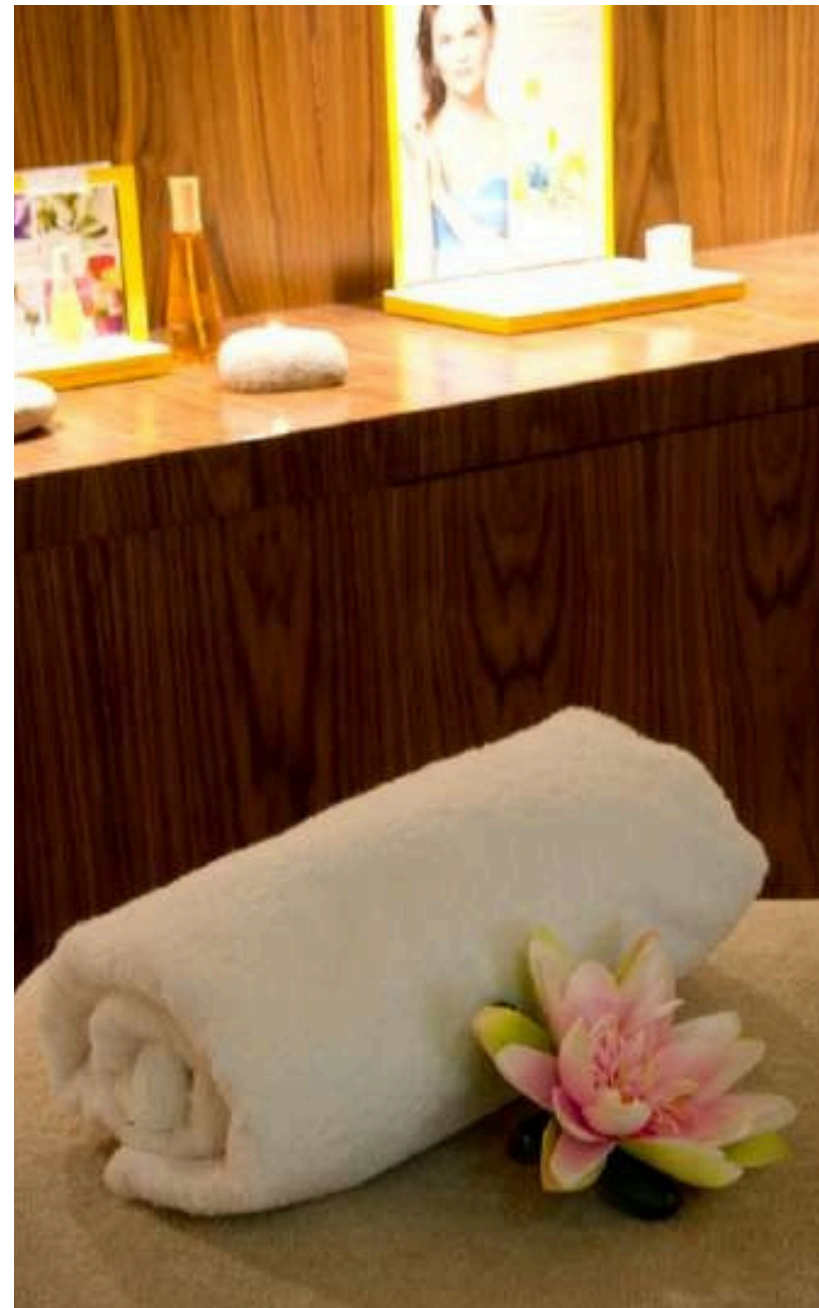

## **DINER**
